

Commercial Association of REALTORS® Oregon/SW Washington Recognizing 15 Years of Effort and Excellence!

In 1993, a group of commercial REALTORS® came together to create a venue where commercial real estate networking, education, legislation, and ethical business practice was paramount. As an offshoot of the Portland Metropolitan Association of REALTORS®, the painstaking process ultimately resulted in the formation of the Commercial Association of REALTORS® Oregon/SW Washington.

Today, as the largest and most prestigious commercial real estate association in Oregon, we are pleased to honor the six of our founding members: William Barendrick, Sid Woodbury, Joe Wood, Bill Cozart, Adelle Jenike, and Bob Stutte.

William Barendrick served as CAR's first President in 1994. He was a critical player in shepherding the formation of CAR through a challenging board formation process. With over 48 years of real estate experience, William also has served as the President of the Portland Metropolitan Association of REALTORS® and the Oregon Association of REALTORS®.

Sid Woodbury, CCIM, holds the distinct honor of serving as CAR's 1995 President. Sid practiced real estate in Oregon with FH Andrews & Associates from 1965-1980 and opened the Sid Woodbury Commercial Brokerage in 1981. Currently practicing real estate in Palm Springs, California, Sid focuses his energy on the "investor's perspective".

Joe Wood has practiced commercial real estate with Norris Beggs & Simpson since 1967. One of Joe's greatest contributions to CAR was the formation of the highly successful Quarterly Breakfast series featuring an Economic Forecast by Dr. John Mitchell. Joe is also a past President of the Portland Metropolitan Association of REALTORS®.

Bill Cozart was instrumental in developing CAR's bylaws and jumping through hoops in order to get our charter approved by the National Association of REALTORS®. As the first commercial overlay board created under the National Association of REALTORS™, this was a difficult process. Bill has been a real estate executive for more than 35 years.

Adelle Jenike has been practicing Commercial and Residential Real Estate for more than 35 years. In addition to being a past Board member of CAR and a member of the Technology Committee and the Political Affairs Committee, she has also held important positions with the RMLS and the Oregon Association of REALTORS®.

Bob Stutte has been a member of the Portland Metropolitan Board of REALTORS® since 1970 and was President in 1993. He was also President of IREM from 1979-1980 and served as a committee member of the State of Oregon's Public Lands Advisory Committee from 2001-2005. Bob is the President of Norris & Stevens, one of the largest commercial real estate firms in Oregon.

The Commercial Association of REALTORS® strives for excellence in the services provided to its members and continues to develop new services that will aid in the business of the Commercial REALTOR®. From our humble beginnings of roughly 100 members, today, CAR boasts an ever growing membership of more than 900 Commercial REALTOR® members who provide their clients with the information needed to make the best choices about their purchases, investments, and management opportunities.
